

Do you have a spare room?

OneWorld Education UK is working with your school for our Chinese Exchange Program and are in need of families to host our students

The experience is hugely rewarding and a great way for your local school's visitors to experience English culture.

How does it work?

- Host families provide a room, bed, breakfast and an evening meal
- Host a minimum of 2 and a max of 4 pupils
- 2 pupils may share a room but each pupil must have their own bed
- Host families are paid £17.50 a night per student (2 x £17.50 x 7 days = **£245** a week)
- ALL host families have a pre home visit, interviewed and DBS checked
