- The School cannot be responsible for children who are not collected by their parents immediately after a club has finished. Please ensure your child is collected promptly from the front of the school.
- When it is raining some activities are cancelled. Please make sure your child knows how to get home at 3.05 p.m. should this arise.
- Sports Clubs may change evenings due to matches and the weather conditions. It may be necessary to hold Sports Clubs at an alternative venue. If this is so, children will be informed in advance.

HOMEWORK HELP

The library is open after school Monday-Thursday (between 3.05-4.00 p.m.) for pupils to do their homework, with the support of the library's resources and Mrs Jensen.

- Pupils must sign in, and can sign themselves out when they have finished their work.
- School rules apply, including on the use of mobile phones.
- If pupils are noisy, disruptive, or come without any work to do, they may be asked to leave or given a written warning.

[N.B. Homework "Help" not "Club" - Homework Club is the special support in the Base].
