Dear Parent/Carer

Proposed Arrangements - September 2020

I am delighted to be able to share with you the Trust's plans for pupils returning or joining our schools in September.

As pupils return to school in September, including those who will be starting a new school, we appreciate this could be a little daunting, especially so for your child/ren as we have been unable to hold our usual transition days. We have therefore enhanced our transition arrangements to ensure your child/ren has a positive introduction to the new academic year.

The table below outlines the date your child/ren will return.

I wanted to take the opportunity to thank you all for your support, patience and resilience during what has been a truly challenging time for pupils, parents/carers, families and colleagues.

I wish you all a wonderful summer break and look forward to welcoming your child/ren back in September.

Kind regards
