

October 2018

Dear Parent/Carer

As part of our online safety programme we are providing all families with a copy of the Digital Parenting magazine. This has been written especially to support parents with their understanding of online safety matters and gives practical advice to use with children.

The school is also hosting a talk for parents on **Wednesday 10th October** from **6-6.45pm**. This will be covering different aspects of online safety including gaming and social media.

If you have any further questions regarding this or issues raised in the publication, please do not hesitate to contact myself or your child's tutor.

Yours sincerely
